Dylan,

I am hoping that this will make sense to your technology person, but I am told by my tech guru that the production we received today is missing an “.OPT file” needed to properly load the production. Would you be able to send that as soon as possible?

Best,  
Stephen

[EXTERNAL]

Stephen,

I honestly missed your email Sunday. We will provide the former, I'm waiting for the batesed version and then will attempt to send from my phone. The latter is not linked as part of the attachment family because it was transmitted via Citrix, but was separately produced at NRA-BK-00073010 - NRA-BK-00073011.

Greg,

I hope you are well. Below is the email I mentioned at the end of Mr. LaPierre's deposition about an issue we've encountered with attachments in the Debtors' production.

**Subject:** In re NRA - missing attachment in production

Dylan and Greg,

I hope you are both well. In the Debtors' most recent document production, we appear to be missing two attachments referenced in one of the documents. Specifically, in NRA-BK-00038942, we do not appear to have the "2019 NRA 990 highlights to Board of Director's meeting.docx" attachment to the topmost email in the chain, and we also do not appear to have the "NRA 2019 990 Tax Return Comments.docx" document referenced in the bottommost email in the chain. Would you please provide us with copies of those documents as soon as possible, or point us to where in the production they can be found?

Thank you,  
Stephen
